Repeal of Obamacare??!!

Democrats! Be aware that the Republicans are moving to repeal Obamacare. Below is an excerpt from a Facebook entry by Bee Tuberville:

Just in case you were not paying attention; through reconciliation ---

The Senate voted 51 to 48:

1. To end coverage for preexisting conditions, veterans benefits, and aid to rural hospitals.
2. To remove discrimination protection for women in healthcare.
3. Against the provision allowing children to remain on their parent's insurance till the age of 26.
4. To cut off funding for the Child Health Insurance Program (CHIP).
5. Against ACA contraceptive coverage and maternity care provision.
6. To direct committees to send budget legislation to defund and repeal the Affordable Care Act.

For those who get health insurance through work, no pre-existing conditions. Lifetime caps for coverage are back for everyone.

Real and disastrous actions are being taken that will affect more than just the 20-30 million people who will lose their health care coverage and the 3 million people who will lose their jobs.

Despite their assertions of this being an action to "repeal and replace," no viable

alternative plan has been proposed.

The House votes Friday.

As of this moment, no replacement exists.

NOW is the time to write, call, email your two senators and your representative. Tell them NOT to repeal Obamacare/ACA.

WE NEED VOLUNTEERS TO HELP IN THE CAMPAIGNS!
