BLUE WAVE.

Help us in our Get-Out-the-Vote efforts. Is it any wonder that when we only have 5 people involved in the election day efforts that Democrats wonder why we cannot win in Comanche County? The thing I hear is that Oklahoma is just too RED. Yes, we are RED but what if there is something else. We out number the GOP here. Let's also look at the fact that we normally only have about five people doing Get-Out-The-Vote on election days. Let's change that. Let's get good at election day activities. It's not difficult; we just have to do it. So far, there has not been a significant increase in volunteerism for Get-Out-the-Vote.
